

Guidelines for Couta Boat Owners to Update your Boat Register Listing

The Couta Boat Association (CBA) has created a draft hardcopy coffee table book with a detailed Couta Boat listing designed to capture the spirit of each and every boat on the CBA register complete with general measurements, ownership history and importantly photos and stories to share the living history of the boats for all to enjoy and appreciate.

You are invited to share any information you have about your special boat in order to be included in the final version of the book which will be a hit.

Readers love stories! The power of 'story' is an effective tool to help you complete a profile of your boat (including any photos you have) – stories that are developed from your recall of factual, anecdotal, even the exaggerated incidents, will all contribute to a great profile. So have a go!

You are invited to contribute such information as:

- Information on person/s who commissioned the boat; name of designer / builder & location of the boatbuilder and the year she was launched.
- Any other specific features about the design such as the type of timbers used;
- Early history of boat –factual / anecdotal information, if known.
- Later history - information on successive owners - factual / anecdotal information.

Note: An Appendix will be included in the Register, detailing significant sailing Events, Races and Results so share any major regatta wins.
